About Riverside College

We are a high performing college which strives to be outstanding in everything we do. This ethos is reflected in our successes which include being ranked in the top 10% in the national Department For Education Performance Table in 2018, our 100% A level pass rate, 100% vocational pass rate, our Matrix Excellence Award for student support, and our excellent partnerships with local, national and global employers.

At Riverside College within our Higher Education division we offer a range of foundation degrees, HNC, HND and top up degree programmes that offer students the opportunity to take their career to the next level.

Where does our funding go to?

The college spends its income on teaching and learning and pastoral support services (such as the LRC, IT services, study support, careers advice and welfare services), management and administration and maintaining its buildings and other facilities.

Due to the careful allocation of our funds - the college has been able to invest in upgrading its facilities, which recently have included the building of a state of the art STEM Centre and a new Theatre opening in Spring 2019.
